Salinas, California, Friday, October 31, 1952

Number 7

## Blood Donors Needed Now For Monday Bank

Blood donors are needed now, in numbers, announced co-chairmen of the Hartnell College Blood Donor Committee Mike McCann and Emil Yappert on Wednesday of this week. Monday is the day that Hartnell students visit the Salinas Blood Bank en masse for the first time this year.

Applications for students who wish to donate will be available in the main office, or from Yappert or McCann. Students under 21 years of age must have a permit signed by their parents. These will be available with the applications.

Students under 18 are not allowed to donate; however, those eligible will have to be at the Blood Bank about 45 minutes, during which time they will have one pint of blood painlessly extracted, receive coffee, doughnuts, and be able to read comic literature concerning Blood Bank features. The only request that is made of the donor is that he eat nothing within the three hours preceding his appointment.

More information, such as means of transportation, and answering of any questions will be printed in the bulletin, and will be freely given by the cochairmen. It is requested that all students who can find it at all possible to donate do so this time, as no other organized blood drive is planned for this semester.

Remember the words on the posters, "You May Save a Life." Inversely, you may be responsible for not saving a life if you don't give. By giving 45 painless minutes of your time you may save someone a lifetime of grief.

## Korean Veterans Receive Blanks

Korean veterans should be receiving certificates for educational benefits very soon. The Veterans' Administration Office, which is mailing the certificates, advises veterans of battle in Korea who receive these blanks to fill them out immediately.

Under Public Law 550, immediate attention given these certificates by veterans attending Hartnell will award them G.I. Bill aid from September 8 of this year. It was announced earlier in the school year that Hartnell was one of the few institutions in Northern California to have its entire curriculum approved for this bill.

## Mail SSCQT Applications By Tomorrow Night!

Selective Service officials today reminded college students that the deadline for submitting applications for the December 4 Selective Service College Qualification Test is midnight, November 1 (tomorrow), and that applications postmarked after that time cannot be considered. Local draft boards have an adequate supply of test application blanks on hand for draft-eligible students.

Students are to mail their completed applications to Educational Testing Service of Princeton, New Jersey.

To be eligible to apply for the college deferment test a student must (1) intend to request deferment as a student; (2) be satisfactorily pursuing a full-time course of instruction; and (3) must not have previously taken the Selective Service College Qualification Test.

Another test will be held April 23, 1953, but General Hershey emphasized that increasing manpower demands make it important that each draft-eligible student who has not taken the test do so as soon as possible.

Students whose academic year will end in January, 1953, have been urged to take the December 4, 1952, test so they will have a test score in their cover sheets before the end of their academic year, at which time their boards will reopen and reconsider their cases to determine whether they should be deferred as students.

The present criteria for deferment as an undergraduate students are either a satisfactory score (70) on the Selective Service College Qualification Test or specified rank in class (upper half of the male freshman class, upper two thirds of the male sophomore class, or upper three fourths of the male junior class).

Students accepted for admission or attending a graduate school prior to July 1, 1951, satisfy the criteria if their work is satisfactory. Graduate students admitted or attending after July 1, 1951, must have been in the upper half (Continued on Page 2)

## "Therese" Starts Wednesday

### Addison Is WBEA Veep

Mr. Claude F. Addison, chairman of the business department at Hartnell College, was elected vice-president of the Western Business Education Association at its convention held in Salt Lake City on October 10 and 11.

The W.B.E.A. is a federation of the business education associations of eight western states, and is one of the regional organizations in the United States. Its purpose is to promote better business education, and it serves to co-ordinate the activities of the state associations and to unite them into a regional convention.

The convention at Salt Lake City was well attended by Western Business educators and presented a program which featured nationally known speakers. The other officers elected at the convention were the president, Dr. Eugene Kosy; the secretary, Mrs. Bessie Kaufman; and the treasurer, Mrs. Inez Lovelless. Dr. Evan Croft was the retiring president.

As past president of the California Business Education Association Mr. Addison has served on the W.B.E.A. Executive Council for several years. He is also on the California Council of Vocational Associations, and a member of the business Administration Liaison Committee for the University of California.

## Jeweler Sproles Deserves Apology

Sproles' Jewelers, 261 Main Street, of Salinas, rates a humble apology from Dick Johnson, commissioner of public relations. Johnson pulled a prize boner last week by having it announced at the football game, and printed in both The Panther Sentinel and the game program that Hirsh Jewelers, rather than Sproles, had donated one of the compacts given to the queen and her attendants.

Johnson states that Sproles' compact was the one which went to the queen, Sally Lipsett, and that Mr. Sproles, a faithful supporter of Hartnell, had been very generous in his donation. He also stated that Hirsh Jewelers donated nothing at this time.

Panther Sentinel also apologizes for the mistake which appeared on its front page. We guarantee that Johnson will try to rectify this grave error by purchasing his next wrist watch from Mr. Sproles.

## Suspense Drama Almost Ready For Presentation Next Week

"Therese" will hit the boards of the Hartnell College Little Theater as the first production of the season for the Hartnell Players next Wednesday afternoon, November 5. This thrilling adaptation of the suspenseful novel by Emil Zola satisfies the tradition of presenting a suspense drama as the first production of the season, in order to fit the mood of the season of the year, according to Mr. Harold Ulrici, director.

### Glenn Hardy Featured At Hartnell Program

Comments on the forum held in the Little Theater last Sunday evening have been more than favorable.

The panel, consisting of Mr. Henry Cassady, faculty member; and Wallace Lowry and Ed Friar, students, was moderated by Don Wells, special events editor of KSBW. The problems of the college student were narrowed down to the question of military service, and the pecuniary benefits of an education as compared with the benefits of the nonprofessional laborer.

In his talk, "X Marks the Spot," Mr. Hardy gave a clear, concise picture of the situation of a small percentage of registered voters going to the polls in each of the national elections in recent years. He outlined the existing disadvantages and problems which could be eradicated by the 49 per cent of non-voters from the election heeding the present campaign to "get out and vote."

From the time he was introduced to the audience, through his program, and in speaking with individuals after the completion of activities, his warm personality and interest in the college was felt by each person there. Mr. Hardy has been carrying out his campaign to urge people to vote throughout the coast states, in this same manner, and is now completing his trip with appearances between Salinas and Hollywood.

### CREDIT JOYCE BLAISDELL

Credit goes to Joyce Blaisdell for doing a splendid and tremendous job decorating the Hartnell rooting section for the Contra Costa game last Saturday. Reports have it that she had no aid whatsoever.

Thomas Job's adaptation will feature two veterans of Hartnell Players' productions, and six promising newcomers to the Hartnell stage. The entire cast is now working with the director on what is probably the most difficult task in rehearsals; that being the final polishing of the well-learned lines and stage movements as opening curtain time nears.

The entire group is enthusiastic over the play, which will be presented for the public on Thursday and Friday evenings, at 8:15, after the Wednesday matinee for students.

The cast of characters for this play is as follows: Therese, Gladys Fagundes; Laurent, Ray Welch; Madame Raquin, Myrtlerose Craig; Camille, Bill Garey; Madame Louise, Bernita Merritt; Madames Suzanne, Mary Ann Baldwin; Monsieur Grivet, "Butch" Rosenberg; Inspector Michaud, Paul Brown.

The production staff members are: Paul Edwards, stage manager; Joyce Blaisdell, script; Donna Hufhines, Eleanor Evans, Elizabeth Ash and Francis Klauer, properties; Bob Day, ticket office; and Barbara Brem, head usher. Still open are the jobs dealing with program, makeup, and curtain.

## Library Is Open Two Week Nights

Hartnell library will now be open Tuesday and Thursday evenings from 7 to 9 o'clock.

This practice was followed last year and proved to be very successful. Doctor Borough will serve as librarian for these evening study sessions.

### NAPA CAR CARAVAN

Chic Chase is the man to see about the "Car Caravan" which will be venturing to Napa tomorrow. Final arrangements must be made immediately.

## Hartnell Student Spirit Is Increasing

### Friday Rally Was 'Most Beneficial'

Perhaps not the most widely attended, but the most beneficial, rally was staged in the open air last Friday next to the Men's Gymnasium. Results were exhibited at Saturday night's game with East Contra Costa and were extremely noticeable.

A good display of school spirit was shown by Rally Chairman Hector Burke, who rallied the grid followers into a high pitch of enthusiasm preparatory to the offerings of several yell leaders. The pep assembly was staged directly after the coronation of Queen Sally Lipsett, which accounted for many absentees, from whom yells were expected.

During the rally, many yells were executed, and led, by several different people. Due to the absence of head yell leader, "Kidnapers" Chase, assistant Georgann Bell was in charge and led noisy students in the first yell. Loren Ingols, former yell leader (class of '49) led another, while Mr. Jerry Girdner (no class whatsoever) showed his stuff in quarterbacking boisterous beings.

Coach Dick Voris told of the prospective victory, as did game captains, Tony Teresa and Jim Crain. Next week Mr. Ulrici has promised to lead the rooting section in an extremely dramatic yell.

### Saturday Stunt Fires, Yelling

— Photo by Pete Holm

Ron Heinzel (in stocks) of Contra Costa East Junior College was the victim of Chic Chase (on right) and other kidnapers from Hartnell last Saturday, previous to the Hartnell-Contra Costa game. Tabby (behind Heinzel) helped work students at the rally, and in the stadium, previous to the game into a spirited frenzy of yelling and cheering. All spectators in the stadium followed this terrific display of friendly rivalry, as the opposing rooting sections yelled taunts back and forth at each other. The result of this stunt was the best display of noise and cheering for the Panther gridders which has been seen yet this year.

choices left to the ball carrier in the split "T," the Panthers have gained almost twice as many yards as their opponents.

Voris gave much credit to Henry Franci and Ed Adams for the improvement in the line and for the development of the best ends in the league.

### Harts Outdid Menlo There

The Hartnell football team had a spirited following of fans at the contest with Menlo recently at Menlo Park. Although the occasion was Homecoming for Menlo, the Salinas aggregation outnumbered the local rooters by a considerable number.

The seating facilities were very poor at the game, with just a few small bleachers, some benches, and chairs—but the Hartnell side was completely filled, and many people had to stand up. A rooters' bus was taken to the game with approximately 40 people and 45 band members went on a chartered Greyhound. With the local townspeople and former students from nearby colleges the total number present was around 500, a pretty good following considering the circumstances.

Everyone present participated actively in the yells, and the local rooters completely outshone the Menlo adherents.

### DRAFT TEST . . .

(Continued From Page 1)

of their classes during their senior year or make a score of 75 or better on the test. It is not mandatory for local boards to follow the criteria.

General Hershey has emphasized many times that the criteria are a flexible yardstick and that the standards may be raised any time necessity for manpower demands.

The two forthcoming administrations of the College Qualification Test represent the eighth and ninth testing date of the program. In the first series of tests 64 per cent of the students achieved a score of 70 or better. In the second series 58 per cent of the students made 70 or better. The tests in all three series are equivalent in difficulty.

Use of tests by the Selective Service System, along with class standing, was originally based on recommendations of the six scientific advisory committees appointed in 1948 by General Hershey. The committees' report, presented by Dr. M. H. Trytten, chairman, was made in the fall of 1950. After a subcommittee had prepared general specifications for a suitable test of scholastic aptitude, Educational Testing Service was designated as the testing agency to carry out the construction of the test and its nationwide administration.

### New Newman Chaplain

Father Timothy Cummins is replacing Father Deegan for Hartnell Newman Club. The former chaplain, Father Deegan, has been transferred to a Bakersfield parish. Chaplain Cummins was introduced at Wednesday's Newman Club meeting.

## Homecoming Dance "Huge Success"

The largest crowd to attend a Hartnell social function this year was present at the Homecoming Dance in the Men's Gymnasium Saturday night. This was the first Homecoming dance in the history of Hartnell College to produce a financial profit for the Social Activities Committee. According to agreement, a cut of the profits will go to the treasury of the Alumni Association. The largest number of "old grads" ever to attend Homecoming activities was present at the dance, which followed the Hartnell football victory over Contra Costa. Both students and alumni are shown in the above photo, which affords an unusual perspective of the "terrific" decorations on a net covering the entire gym. Eleanor Evans was chairman of the decoration committee. Miss Evans gave a special vote of thanks to committee members, Loava Mead, Claudia Day, Mits Uchida, Dick Gularte, Emil Yappert, Theresa Poor, and Darlene Rust.

### Fans to Honor Coach Franci

Henry Franci will be honored next Saturday night at the San Francisco State game by a number of people who are appreciative of the work he has been doing. This is the third year that Franci has donated of his time to help coach the Panther football team without receiving any remuneration for his efforts. The Hartnell students should be very much indebted to Franci, and they now have an opportunity to express their thanks.

### Tumblers Train With Mr. Peavy

Coach G. Darwin Peavy has been working out with his tumblers in gymnastics class, showing them the finer points of the sport. Coach Peavy says that anyone interested in gymnastics should inform him so that he can immediately begin work. Thus far, workouts have been confined to the gymnastics class which meets on Tuesdays and Thursdays at 11 o'clock.

### Homecoming Thanks Extended Tuesday

Monday and Tuesday of this week were days for words of thanks and appreciation to be extended by those in charge of last week's Homecoming activities to all people who gave exceptional aid in preparations. The following notices appeared in the bulletin on Tuesday:

The Interclub Council gives its thanks to all who helped with the successful presentation of the Hartnell Homecoming Day Queen's Coronation. The council wishes to give special thanks to Emil Yappert, who was in charge of the floats, Babette Gianinni; Lutz Muenster, Elinor Evans, Darlene Clizbe, Mayme Lipsett, Claudia Day, Loava Mead, Paul Edwards, and Dick Johnson.

And special thanks to Mr. Ulrici as the advisor and Doctor Hall who helped us whenever we were stuck.

The Homecoming Day co-ordinator wishes to thank the Interclub Council, the A.W.S., the Alumni Association, the rally committee, and the commissioner of social activities for their splendid co-operation in making this year's Homecoming Day successful.

## Lemos Helps Investigate Menlo's Aid to Athletes

Grants-in-aid to athletes was the subject of a recent committee meeting held in Menlo and attended by Hartnell's president, John B. Lemos.

An investigating committee composed of representatives of each of the schools in the Coast Conference met in Menlo on Monday, October 20, in order to study the athletic situation there. The purpose was to determine whether or not Menlo College has been completely in the right in the matter of grants-in-aid, and to see from what junior college districts their students come. The committee received the full co-operation of the administration at Menlo and went into the matter in complete detail. They will submit a complete report of their findings to the State Athletic Commission.

Mr. Lemos stated that he was happy to have had an opportunity as a member of the investigation committee to study the situation personally in order to be properly informed on conditions there by direct knowledge rather than by hearsay. He also stated that in his opinion Menlo's handling of athletes and grants-in-aid has been entirely open and above board, and should not at this time be subject to criticism.

## College Founder Was in Politics

W. E. P. Hartnell, the founder of the first Hartnell school, was also active in early Monterey County government. He was elected president pro tem of the Monterey County Board of Supervisors at the very first board meeting nearly one hundred years ago, on November 8, 1852.

This first meeting was held in the city of Monterey, then the county seat, with only three board members and the county clerk present. Because of a lack of business to be transacted, the first meeting was adjourned for a week after simply electing Mr. Hartnell the president. The second meeting was even shorter; it was adjourned with no business at all, because there wasn't a quorum of members present.

His contributions to both education and the government of Monterey County made William Edward Petty Hartnell a truly memorable person.

## PANTHER SENTINEL

## Alum Plays Lead Role in Play At San Jose State

Holt Wood, a former student at Hartnell, played the leading role in the San Jose State Speech and Drama Department production, "The Importance of Being Earnest," which was presented on October 15 at San Jose State.

During his enrollment at Hartnell Junior College (then Salinas Junior College), Holt was very active in the drama department, playing leading roles in the two biggest plays of the year (1947), "The Barretts" and "January Thaw." According to the drama instructor of that time, Miss Faith Fraser, Wood showed great promise and skill as an actor.

Now a second year student at San Jose State, he seems to be proving that her predictions were not wrong. He played the leading part of the Oscar Wilde play for his latest role, and was very successful in it. The play was under the direction of Mr. John Kerr, an associate professor of speech and drama at the college.

## Hartnell Active In Modesto Meet

Hartnell representatives to the N.C.S.J.C.S.G.A. conference at Modesto Junior College last week played an important role in the forming of resolutions and topics to be placed on the agenda for the State conference at the Hollywood Roosevelt Hotel in Hollywood, on November 20, 21, and 22. Prominent among the achievements of Hartnell delegates at the conference was Hector Burke, who was elected parliamentarian, and will serve as one of the three parliamentarians at the State meeting.

The delegates, Ken Van Cleave, Burke, Ramona Eris, Dave Lewis, Darlene Clizbe, and Dick Johnson were instrumental in the development of outstanding resolutions emanating from the finance and expenditures, rallies and entertainment, publications and publicity, student government, and intra-school activities workshops.

Delegates to the California Junior College Student Government Association conference, to be hosted by Los Angeles City College, next month, have already been chosen, and reservations have been made. Burke will be sent by the N.C.S.J.C.S.G.A. as parliamentarian; Van Cleave and Randy Blair have been chosen as voting delegates;

## Students Run Home Games

Members of the Hartnell student body have been performing the necessary duties at the home football games held at the Salinas stadium. The students have such tasks as selling tickets, selling programs, and guarding the gates and rooting sections. Members of Flying Club, under the direction of Mr. Peavy, have charge of the three concession booths where they sell hotdogs, coffee, candy, cokes, gum, and the like.

Wayne Heple has charge of the running of the games and makes all the plans and arrangements for them. He lines up the people who wish to work in their respective jobs and sees to it that everything is running smoothly.

The students who work at the games receive a reasonable salary for their duties, according to the type of job they have. It is an opportunity for the students to earn some money and they in turn do a greatly appreciated job for the college. Anyone interested in working at future contests should contact Wayne Heple immediately.

## Bowling Teams Are 'On Way'

The bowling teams are on their way with an expected meeting some time next week. Martin Fourcade is chairman in charge of the organization of the teams. Those who have signed for the women's team are as follows: Mayme Belcher, Sally Lipsett, Ramona Duron, Louise Kinder, Mayme Lipsett. For the men, Martin Fourcade, Wayne Heple, Taylor Burton, Henry Hibino, Leon West, and George Bonawit signed up. The teams will elect team captains next week and organize their practice schedule. The first opponent will probably be M.P.C.

## Exchange Assemblies Planned by Burke

In the near future, Hartnell students can be looking forward to the first in a series of student talent exchange assemblies. Director of these programs will be Hector Burke.

Through much hard work Hector is lining up neighboring junior colleges and some high schools with whom to trade talented students for programs. No specific dates have been set yet, but due to the fact that student talent is in high demand, Mr. Burke has made plans to shift into high gear in an effort to get talent for the Hartnell student body.

and Darlene Clizbe, Ramona Eris and Wallace Lowry will be observers.

## CAMPUSOLOGY

By KLINGENSMITH

This week's column will be constructed on a more serious basis than usual. And, we might say, it holds much for all of us. Don't worry, it won't be another lecture on school spirit or drinking beer around campus, but it should prove to be quite the opposite. We'll put it to you straight and bluntly, although it needn't be—go to church! . . . An unexpected visit to a recent Intervarsity Christian Fellowship Meeting gave rise to this reporter to write one column this year devoted to a serious matter.

Recent surveys have proved that college students are lacking terrifically, in spiritual training. Now we all know that a country that is completely atheistic has always made a rapid decline disgracefully. Our country has not reached that stage yet, and to prevent it, we, the young men and women of our community, should, and can, set a good example to our older friends. It will not only give us a good feeling, but Sunday services donate much to us that we can use in everyday tasks.

Not being a consistent church-goer, we should not have the right to emphasize Sabbath, attendance, but we do know the terrific feeling it leaves one with, and it will leave you the same way. So no matter what religion you follow, let's go to church next Sunday morning!

\* \* \* \*

After speaking with one of our majorettes, and hearing many comments from people on the same subject, we are thoroughly convinced that our cute little baton twirlers need new uniforms. Straight dope has it that the present suits have just about reached the peak of usage. In other words, they've had it! Now if we happen to journey to the Junior Rose Bowl we want to be represented in a flashy fashion all the way around. No doubt some of us have no complaints about the uniforms now being used, but try to convince the majorettes.

We hope the commission doesn't jump us for this, but how about spending some money for a good and worthy cause. Four of them, to be exact. A benefit show has been suggested to raise funds for the suits, too! But all this is just food for thought!

## Alumni Receive Souvenir Paper

In addition to the Alumni Bulletin which was mailed out previously, the former students of Hartnell have been sent free copies of last week's special Homecoming edition of The Panther Sentinel.

This special 10-page edition of the paper, the second such put out by The Panther Sentinel, was dedicated to the alumni, and designed to inform them of current events here at the college, as well as to form a souvenir. It was for this reason that copies were mailed to all former students whose addresses were known.

The practice of sending out special, though regularly sized, editions of the paper to the alumni will be carried out about every two months. This would form a supplement to the regular Alumni Bulletin sent out by the Hartnell Alumni Association, and would help the interested alumni to keep in touch with the college.

## Cinch Notices

Cinch notices, in the form of pink slips of paper, have been received by 136 students during the past week. All of these students are requested to take careful notice of the content of these slips.

## Student Store Makes Good

Under the advisanship of G. Darwin Peavy, Don Buchter, and Jack Forsyth, the Student Store managed to sell \$19,317.39 worth of books, candy, supplies, and cokes during the last fiscal year.

The student store started its booming little business back in 1937. Since then thousands of books, and innumerable bits of odds and ends, including pencils, paper, jewelry, dinks, and blue books have passed through the portals of "Peavy's Paper Paradise."

In 1951, the bookstore made a net profit of \$4,422.78—extremely good for a store of its size. They sold \$9,000 worth of new texts; old readers brought in \$3,861.39 in sales; candy eaters bought \$918.35 worth of sweets; and students-at-large bought \$569.54 worth of miscellaneous stuff.

These figures were compiled by George Anderson, head accountant for the store. George gave forth these figures while peering from behind a giant stack of accounts and trying to count artgums jumping over a fence of Hershey bars. Happy sleeping, George!

# Panthers Conquer Contra Costa; Still Undefeated

## Hartnell Travels To Napa For Game With Chiefs

The undefeated Panthers of Hartnell travel up north tomorrow for a nocturnal game with the Napa College Chiefs. The contest is scheduled to get under way at 8 o'clock sharp in the Memorial Stadium at Napa.

The Chiefs have a record of three wins and three losses so far in the season. Marin, Placer, and Grant Tech are the teams they defeated; they failed against Monterey, East Contra Costa, and Yuba. Art Thompson leads the club from his quarterback position, and does all the passing. Napa has a light, fast team which operates offensively from a Shaughnessy-type "T."

The Harts have taken Fresno, Placer, Porterville, Riverside, Menlo and East Contra Costa in that order. In their six games they have chalked up 161 points to the opponents' 38, and are the only undefeated and untied junior college team in not only the Coast Conference but also all of Northern California. Hartnell will be in as good

shape for tomorrow's contest as they have been for any previous one. Coach Voris states that he is not taking this game for granted, by any means. In fact he fears each of Hartnell's next three opponents which include, following Napa, San Francisco State J.V.'s, Marin, and Monterey.

These next three games are very important for the Panthers in regard to any chance they may have for a postseason bowl game. Since there is so much at stake in the forthcoming three weeks, all obtainable support is needed from the followers of the Harts. Remember: game time at 8 tomorrow night.

## Watsonville Well Represented On Panther Football Squad

Four members of the '52 Panther football squad who smashed Contra Costa, 19-0, last Saturday, are from Watsonville high school, where they all played ball for the Wildcats before coming to Hartnell. James Brandon, Richard Estrada, Harold Harriman, and Jack Bothwell are the four Watsonville representatives, and they are doing a good job of making a name for the home town.

Brandon is a starting offensive guard, and is one of Coach Voris's top linemen. He has been in on offense all of every game and has played a major role in each of

Hartnell's six big victories. Both Estrada and Bothwell have seen some action for the Panthers, and are coming along nicely, according to Voris.

Harriman is a good fast back and defensive man who has come a long way and is expected to see a lot of service in the remainder of the Panthers' schedule.

To date the Panthers are the only undefeated and untied team in Northern California, and these four boys from Watsonville are doing their best in helping to keep a top team on top.

## Intramural Volleyball Half Over With Unbeaten Flips On Top

The Hartnell College intramural volleyball program has reached the halfway point in this year's play. At the halfway mark, the standings are as follows: Flips, 12 points; Faculty and Pomeroy's tied for second with 8 each; Wheaties, Beachcombers, and Weaker Sex are next with 4; and Clara's Gals are holding down the cellar position.

The Flips seem to be in complete control of league competition, but rumor has it that the Faculty and Pomeroy's are high for their games with the Flips in the near future. However, the followers of the Flips are confident that their favorites will survive the onslaught of the two second placers.

Coach Jess Regli has one complaint. He reports that members of some teams sometimes fail to show up for the contests. For some of the games only two or three people have been there to participate; there have been few times when everyone on both teams scheduled to play have been present. The intramural setup is a lot of fun and an opportunity for everyone to participate in some sport, stated Regli. He urges everyone to "get on the ball" and show they appreciate it by coming to their scheduled contests.

Spectators are invited and welcome to come out at 12 noon and see these contests.

Hartnell quarterback, Marty Norman, is shown running with the ball in the second half of Saturday night's Panther-Viking contest. Marty picked up 12 yards before he was stopped. Hartnell won the game, 19-0.

## SIDELINES

By CHAZ

We were so impressed with the affairs of the latter part of last week that we deem it very necessary to give a little credit to those deserving of it.

Congratulations to Sally Lipsett for her successful reign over last week's Homecoming festivities. Congratulations also to Coaches Voris, Adams, and Franci and their men who helped immeasurably to insure the success of all the work and planning which went into the preparation and execution of last weekend's events.

Never before has a team been seen locally that would favorably compare with our Panthers. The tremendous will to win coupled with a desire to play a good, clean game is so evident in this year's edition of the Panthers that not only is the Hartnell student body going football mad but also the people living in this entire area have suddenly become more conscious of the fall sport.

It is the opinion of a great many fans that one would have to go a long way to see a better football game than the one witnessed by over five thousand people last Saturday night. It may be true that "big time" football has material of a higher caliber and draws larger crowds than do the Panthers. But we doubt that any team has players surpassing Hartnell's in sincerity, in the desire to win, or in playing the game hard.

Our team has already done much to make Hartnell nationally known and undoubtedly will do much more before the season's end. However, the potential amount it can do is directly proportional to how much support received from all who are interested in football at its best. Don't forget to do all you can to back up the Panthers!

## STATISTICS

Statistics on the game were:

	HC	ECC
First downs	15	11
Total yards, rushing	249	97
Yards lost, rushing	7	45
Net yards, rushing	242	52

## Harts Score 3TDs In Last Half To Humble Vikings

A mighty, untied, undefeated Hartnell Panther stalks on in Northern California after ripping apart a powerful East Contra Costa eleven by a decisive 19-0 count. Before the contest the two teams were of equal status in both conference and sectional competition, but the Panthers proved that the Maroon and Gold was too much for the Vikings, taking the lead in both divisions along with the smashing victory.

Contra Costa invaded the Salinas stadium last Saturday night, favored to defeat Hartnell, but they didn't bring enough horses to do the job. After the contest started, Vikings pitted against Panthers; it was Panthers, Panthers, Panthers, all the way.

Contra Costa got the first break of the game early in the first quarter, when after battling back and forth, the Harts fumbled on their own nine, with the Vikings recovering. After two unsuccessful line plays and an incomplete pass, the Vikings started around end on what looked like a sure score with Joyner carrying, but Jack Brooks and Bob Scofield broke up the play and the only real scoring threat for Contra Costa. The Harts showed by far the best running attack in the first two periods, but halftime came with neither team in the scoring department.

When the Panthers came back on the field in the second half, things began to happen fast. Teresa kicked off and then raced downfield to recover a fumble by Contra Costa on their own 30. The Harts got a break on the first play

from scrimmage, a 15-yard penalty to the Contra Costa 15. From there on it was cut and dried: Teresa for 3; Scofield for 3; Teresa for 2; Scofield for 2 and a first down on the 5. Teresa was stopped for no gain and then Scofield carried to the 1-foot line, with Dillard pushing it over on a quarterback sneak. Verret's conversion attempt was no good, and it was 6-0, three minutes in to the third stanza.

The score remained the same until the last period, when with five minutes left, Hartnell took over on their own 14 and marched 86 yards for a touchdown. The drive was sparked by the fine passing of Chuck Dillard, and ended with a fourth-down touchdown smash of two yards by "Duke" Snider. Teresa's try for extra point was wide.

With the score 12-0, Teresa again kicked off, and Contra Costa took the ball on their own 24 and started to march. They made three successive first downs, but their drive was cut short when Bullian intercepted Kramer's pass and, aided by good blocking, ran it back 35 yards to the Viking 5. Tony Teresa then plunged over from five yards out on the second play for the final tally. Teresa threw to Jacktis in the end zone for the extra point.

The Harts completely bottled up the East Contra Costa running attack in the person of L. C. Joyner, and held Kramer's passing assault to practically nothing. The Panthers outgained the Vikings, 354 to 91, proving that the rock-em sock-em defense of the Harts is one of the best in the nation.

Coach Voris is very proud of his squad and is also pleased that the Homecoming trophy was awarded to the whole team instead of to the usual single player.

Passes attempted	17	15
